Daily Skincare Routine

A1. Cleansing

Cleanse the entire face with fine foam produced at the same time as pumping and rinse thoroughly with lukewarm water.

A2. Filling

Apply a high-concentrated ampoule that helps improve skin barrier, dead skin, and moisturizing at once and gently pat it to absorb it.

A3. Protecting

In the last step of skincare, apply an appropriate amount from the inside to the outside of the face and gently pat it to make your skin dewy and glossy.

Self-Skincare

The moment you face rough skin!

Take out the creamy mask sheet, fit closely your face, and rest comfortably for 15 mins.

Delivers intensive skin care with deep hydration and nourishment
